| | Yes | No |
|--------------------------------------|-----|----|
| Is this course restricted to majors? | | |
| Is this a required course? | | |

If not restricted, which majors are served primarily?

If required, list majors requiring the course

If the course meets all or partly in prime time, please justify why it must meet in prime time.

Is there a plan to accommodate students with scheduling conflicts (e.g. allowing students in a partially overlapping course to show up a few minutes late)?
