

Adjunct/Visiting Faculty Evaluation Form

The goals for Adjunct/Visiting Faculty Evaluations are as follows:

1. To measure the effectiveness of the faculty performance and to identify and provide assistance for improvement.
2. To ensure that the department's teaching and scholarship mission and outcomes are being met.
3. To provide criteria for reappointment.
4. To encourage continued professional growth.

Supervising department heads and/or program coordinators should complete this form for each adjunct/visiting faculty member who has been employed during the current semester. The evaluation should be performed by the end of the semester. Please use similar information as for the evaluation faculty members, such as student evaluations, syllabi, course observations, class visits, grades, etc.
